Nothing But The Best

From time to time we have short term part-time programmes for students that sometimes need teacher aide support. We have a great team and rather than advertise a position when it comes up, we like to have a list of people we can call on.

If you are interested in relief, part-time or short-term placements – have an empathy for supporting students and are happy to be police checked, please register your interest with Liz Teulon on 021 0283 2918.

Registering at the Health Centre

If you reside within our community or would like Amuri Health Centre to be your main point of health care, we encourage you to enrol with us. You will receive subsidised health care, be eligible for funded services and receive seamless care by doing so.

As per Ministry of Health guidelines patients may only enrol at one Health Centre.

Although we can provide care to patients who are not enrolled with us, their visits will incur increased fees as we do not receive any funding to subsidise these.

If you are a non-New Zealander on a work visa, you may still be able to enrol. Please contact reception to check if you are eligible.
