

Honey Snack-Wraps

Dear Parents and Caregivers

On Thursday 6th of December, we are having a Green Gala to sell our environmentally friendly products. A group of Wairere students have been making beeswax wraps. Beeswax wraps are a reusable alternative to plastic wrap, for wrapping your food.

You can purchase a pack of 3 wraps for just \$8!

- 1 x wrap - 24cm x 25cm
- 1 x wrap - 20cm x 20cm
- 1 x wrap - 15cm x 15cm

Wraps are available to purchase on the day or can be pre-ordered and collected from our gala, or they can be sent home Friday with your child. If you would like to pre-order your wraps, please email Whaea Rachel rachel.simmonds@isleworth.school.nz
