

18 April 2024

SH60 Ruby Bay Bypass

Dear Resident/Business Operator,

Installation of flexible road safety barriers

From **19 May to 31 May** 2024, contractors will be installing flexible road safety barriers on SH60 between Dominion and Harley Road intersections (Ruby Bay Bypass).

This work will take place **overnight under road closures** from **Sunday to Thursday evenings, 7pm to 5.30am**.

While the overnight work is happening, a **local road detour will be in place for all vehicles** via Mapua Drive, Stafford Drive and Aporo Road. People wanting to access Motueka, Richmond/Nelson will need to use this detour while the overnight closure is in place. Traffic lights will be in place at a single-lane site at Ruby Bay Cliffs, and the official detour is expected to add **10 minutes** to the journey. Please plan your journey accordingly.

While the overnight road closure is in place, residents wanting to access Gardner Valley Road or Tasman View Road will need to use Dominion Road or Harley Road. Residents wanting to access Stagecoach Road and Chaytor Road will need to use Seaton Valley Road.

The work planned may be noisy for neighbours and we apologise for disruption caused by the work.

During the day, SH60 will remain open in both directions. There will be a mixture of traffic management in place including contraflow (lane shifts), and some intermittent stop/go to enable sealing works. Please allow for approximately 10 min delays during the day.

In the event of weather delays, we may need to extend the work to 6 June, but we'll provide updates on visual messaging boards on the road and on the NZTA journey planner if this needs to happen.

Visit www.journeys.nzta.govt.nz/journey-planner, or use the camera on your smartphone to check for any updates to the schedule using the QR code before you travel.

If you have any questions or concerns about this upcoming road closure, please contact:
Astrid Fisher, Ph: 027 239 0369. Email astrid.fisher@fultonhogan.com

If you would like to speak to someone while work is in progress, please contact:
Project Manager, Matthew Bruce, Ph: 027 343 5086, matthew.bruce1@fultonhogan.com

On behalf of the **NZ Transport Agency**, thank you in advance for your patience and understanding while we do this important work in your community.

While we always aim to do our work with as little disruption as possible, we know that roadworks can be a hassle. We apologise in advance for any inconvenience this may cause you.

For your safety and the safety of our road crews please drive carefully and stick to the temporary speed limits through these sites.

Emergency services will be accommodated through the site in case of emergency.

60 Ruby Bay Bypass overnight road closure

From **Sunday 19 May to Friday 31 May**, there will be an overnight road closure on SH60 Ruby Bay Bypass between Dominion Road and Harley Road intersections. The closure will be in place from **Sunday to Thursday evenings at 7pm to 5:30am**. A detour for all vehicles will be available through Mapua Drive and Aporo Road. Allow an extra 10 minutes when using the detour.

During the road closure, residents wanting to access Gardner Valley Road or Tasman View Road will need to use Dominion Road or Harley Road. Residents wanting to access Stagecoach Road and Chaytor Road will need to use Seaton Valley Road.

Use the camera on your smartphone to scan the QR code for up-to-date information about these works on the NZTA Journey Planner
