WOODEND SCHOOL VOLUNTARY FAMILY CONTRIBUTION 2020:

The family fund (voluntary school donation) is a method most schools in New Zealand use to raise additional funds over and above;

- Ministry of Education funding
- WSSPA (Woodend Student, Staff & Parent Association) donations

The focus for this year is to continue to fund our teacher aides working throughout the teams within the school. We know from our data that student achievement is improved with Teacher Aid assistance. We will target all donations received to assist in this area.

The Woodend School Board of Trustees agreed to maintain the status quo as in the previous year with the following recommendation:

\$95 for one child reducible to \$85 if paid by the end of Term 3 - 25th September 2020

\$125 for two or more children, reducible to \$105 if paid by end of Term 3 25th September 2020.

Payments can be made in instalments during the term. A receipt will be issued on payment. Payment can be made by cash or cheque to the office or via online banking using the details as follows:

ASB – 12-3616 -0031570 - 00

Please ensure your family name and the code 1030 is used when paying online.
