

## Results from the 2018 Community Consultation

2-3 respondents identified very low scores while their comments were extremely positive. It is possible that these people may have misread the scale and indicated at the opposite end of how they felt throughout the survey.

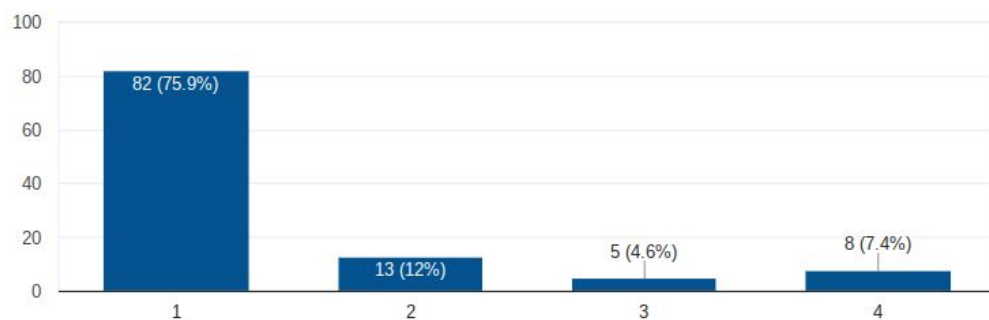

### Overall, how happy are you with your child's education?

108 responses

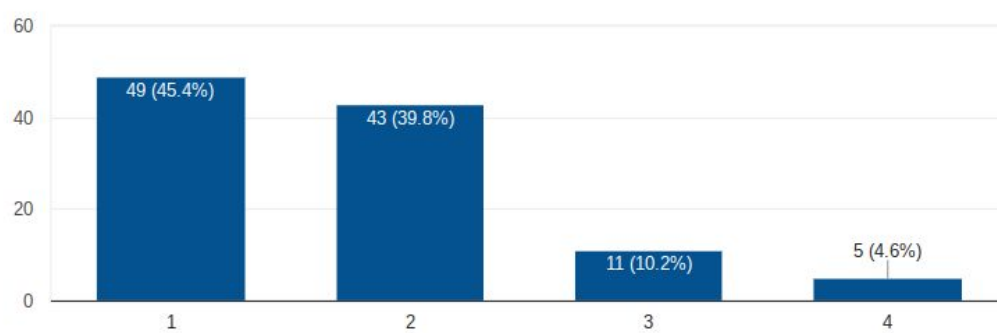

### The Kaikorai Primary School's values of Kind, Aspiring, Independent and Keen are appropriate for your child?

108 responses

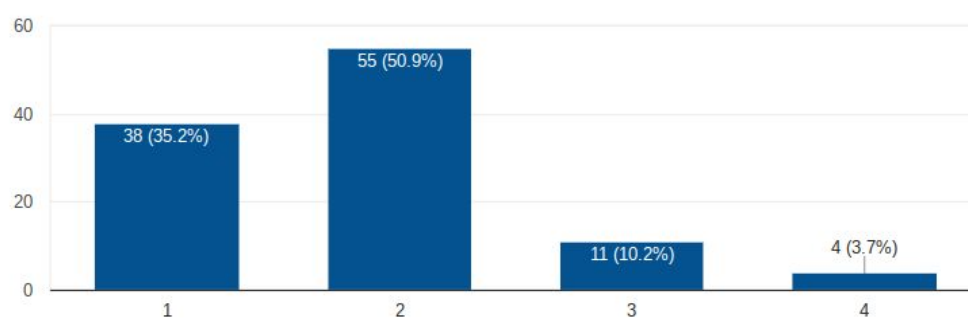

### Your child knows and understands the schools values?

108 responses
