

## VISION

A Confident, Connected,  
Caring Community.

As a Kahui Ako the schools and early childhood centres wish to work collaboratively to establish a confident, connected, caring community, while retaining the uniqueness of our individual centres.

# Nga Mātāpuna o te Waihora

## Kahui Ako Leadership - The four school Principals, one ECE representative and Across School Leader.

During 2019 the Kahui Ako Leadership made a decision to change the focus to entirely Wellbeing. Community, Staff and Student Think Tanks were held to gather different views.

2020 will see the development and implementation of a Wellbeing Strategy.

The Kahui Ako is also holding professional development for all staff in the Kahui AKO through the CONNECT WEEK and TEACHER ONLY DAY
