Check out our amazing locations on our website!

CK After School Programme is based on our hugely successful Nature School Holiday Programme. Children will spend the hours playing freely and exploring our stunning locations around Auckland and all the wonders they have to offer. Our programs are designed as an antidote to the fast paced technology filled world our children now inhabit. A chance to unwind and play as their parents did, climbing trees, building huts, exploring and of course playing bullrush!

Spaces are strictly limited.
