## Bus Information 2022

All students are to wear face masks to access buses in COVID **Level Red**

### Rural Buses

The Tauranga Transport Network Group (TTNG) manage the transport for our Rural students.

#### Eligibility

To be eligible to ride on the school bus your family needs to live beyond the limits of the Regional Council's Schoolhopper bus service.

Most of these buses are free, however, if you live west of the Wairoa River (that means heading towards Katikati ) then your bus is a 'fare-paying' bus. This needs to be paid from the website below.

#### 2022 BUS PASSES NOW

The TTNG has launched a new bus pass system from 2002 onwards.

**All Rural Bus students** will need a bus pass to access the service.

Bus passes can be ordered from the TTNG website.

<https://schooltransport.org.nz/about-bus-passes/order-a-bus-pass/>

Ordered bus passes will be issued to students at school once the bus pass is ready.

Bus Routes for TGC are:
