

Thank You Mrs Duthie

Mrs Duthie, a poem we've written for you
To say thank you on behalf of the Junior School crew
In your time at Columba you spruced up our space
Renovated our classrooms, put a smile on our face.

You made our Junior School colourful and bright
New carpet and furniture, fresh and light
Learning spaces to make us smile
And a wall for our year 6 leavers' tile.

But you didn't stop there! Next was the big tree
And a twisty slide to make us giggle with glee
Lunch times suddenly became more fun
To be front of the line we would quickly run.

The turf followed on, an incredible space
To practice and play, it's a special place!
Hockey, tennis, basketball
It's used every day, a place for us all.

Thank you Mrs Duthie from the Junior School
We appreciate all you did as our principal
We wish you all the very best
Happy retirement - a well-deserved rest!
