

EDUCATING & TRAINING YOUTH TO
SURVIVE, THRIVE
& SAVE LIVES

INTRODUCING YSAR

Our Purpose

We exist to... **empower the next generation of community-minded volunteers**

Our Mission

And to achieve this, we're... **enabling adventure through our leading-edge Search and Rescue and Emergency Management programme**

YSAR

SAR & EM

YSAR PARTNERS

YSAR is the Conduit for Youth Development across SAR and EM in NZ

CORE MESSAGING

We are focused on our volunteers and volunteer delivery, creating a fun place to volunteer through:

Building tomorrow's
volunteers

Developing the next
generation of volunteers.

Empowering volunteer
mindset towards SAR and EM.

OUR VALUES

Growing our PEOPLE - Manaakitanga

He aroha whakatō, he aroha ka puta mai. – If kindness is sown, then kindness is what you shall receive.

We care for all people and acknowledge tangata whenua and mana whenua in Aotearoa. Our common purpose is for people to thrive at YSAR in a supportive environment. By fostering partnerships with our communities, we're learning more, innovating faster and venturing further than ever before.

Conserving our PLANET - Kaitiakitanga

Te toto o te tāngata he kai, te oranga o te tāngata he whenua. – Food is the blood of the people, but the welfare of the people lies in the land. The land is not just a source of sustenance to the body but also a source of well-being; physically, mentally, and spiritually.

We conserve Papatūānuku and Ranginui. Our natural environment sits at the heart of every decision we make.

As kaitiaki of our native bush we tread lightly, ensuring we preserve and enhance our country's natural wonders for future generations to enjoy.

Committing to PROGRESS - Hihiritanga

Ko te pae tawhiti, whāia kia tata; ko te pae tata, whakamaua kia tīna. – Seek out distant horizons and cherish those you attain.

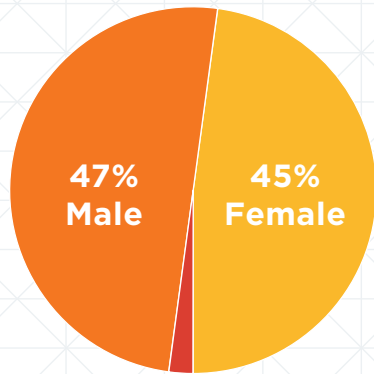

We strive to be better than we were yesterday and we're deliberate in doing so. Through a genuine understanding of the present and future needs of our sector, we are solving historical challenges with innovative solutions

FOCUS ON STUDENT DIVERSITY

We want YSAR's diversity to reflect the communities we serve.

TE TIRITI O WAITANGI

YSAR acts as kaitiaki over the taonga of New Zealand. We wish to teach our rangitahi how they should be looking after and interacting with our awa and whenua. We aim to integrate both western science and matoranga Maori principles in their understanding of nature and conservation. Principles of manaakitanga, tapu, mana, taonga, and mauri integrated into our curriculum and instilled into our youth, so they can demonstrate and share these principles.

WHAT WE DO

We deliver a **three year training programme** to students at secondary school level that is shaped by SAR, the EM sector, Coastguard, LandSAR and others. Students learn in classrooms, on-site with sector agencies, and in the outdoors through an authentic and blended-learning approach.

IT'S WORKING

Student Feedback

96% say YSAR helps them to be more community minded

97% say YSAR helps them become more conscious of the environment

89% said they would join a volunteer organisation like SAR, Coastguard or similar

We are oversubscribed every year!

97% of our students say they are very likely to recommend the programme to others (and they do! Word of Mouth is our most successful advertising method).

WHAT'S NEXT FOR YSAR?

To enable more students to pursue adventure through our leading-edge search and rescue and emergency management programme.

- Scaling throughout New Zealand
- Continuing to be SAR's youth development partner
- Continuing to attract a diverse student cohort that reflect our community at large
- Continued alignment of our programme with SAR and STEM (Science, Technology, Engineering and Maths) secondary school curriculum requirements
