

Is your child having difficulties with reading and/or writing?

Thrive On Education is providing **FREE** assessments at

KingsWay School

Tuesday the 19th of February 2019

Thrive On Education provides a Foundation Programme in school for children who are currently struggling with reading and/or writing. The programme focuses on explicit and systematic teaching of reading foundations, phonemic awareness, phonics, sight words, and english orthography as well as reading strategies and vocabulary. The programme is particularly recommended for children at risk of, or with dyslexia.

The programme is divided into four parts. Each part addresses specific weaknesses and misconceptions, ensuring sufficient practice by the child in order to build confidence and competency.
