

To whom it may concern

Kia ora!

We are fundraising to support two of our Belfast rugby teams, our under 11s and our under 13s to participate in a Rugby Tournament in Queenstown at the end of August. This tournament attracts around 43 teams from across New Zealand and provides the chance for our teams to compete against a variety of different teams, playing 5-6 games across two days. It also gives both our teams the opportunity to work towards developing their skills, technique and working together as a team over this up and coming season.

We are currently organising a quiz night on Friday 5th April 2024 to fundraise to support all 40 tamariki to attend. We would really appreciate if you would consider supporting us by either,

- Sponsoring a Quizz Table for \$100 – We would brand this table with your logo and you would get a personalised thankyou on the night by our MC in between quiz questions.
- Donate a prize for our table placing prizes, spot prizes or raffle. – We will add your business logo to our sponsor board.
- Give a donation to go towards the running costs of our Quiz Night.

We also welcome you to get a team together and buy some tickets and join us for an entertaining evening!

We appreciate any support you can offer our two teams

Kindest regards
