Update from Dave Hislop Hurunui District Council West Ward Councillor

A few reflections of a new West Ward Councillor. I have been appointed to the Strategy and Community, Road Safety and Youth Council as sub committees. Regionally I'm on the ECAN Climate Action committee, Canterbury Regional Landfill and Canterbury Waste Minimisation committee. This has been a big learning curve with lots of meetings and workshops.

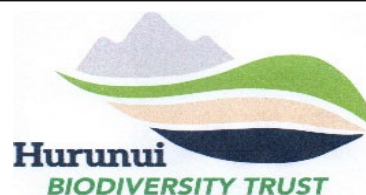

For a person who is used to making decisions quickly and getting projects done when needed, the council is a different beast. Commercial boards are elected by the shareholders to govern the business and then "get on with business". It feels on the council we don't make any decisions unless you, the ratepayers, are consulted and agree first. Local government is governed by the process of consultation, annual plan, long term plan and the Local government Act and legislation from central government. However, I do push common sense, pragmatism, de-centralisation and bottom line, "don't just talk about it, get it done".

Our February council meeting covered Council Code of Conduct, our Three Waters submission, roading update and financial updates. Ongoing workshops have been on coastal retreat and strategy. We have site visited Ecosort where Hurunui's recycling is most definitely "sorted" into many different recycling streams for further processing. My emphasis this term is to push roading maintenance improvements, this has huge challenges but it will not be the forgotten child.

Please contact me or other West Ward councillors with any concerns or issues but most importantly positive solutions.

Plunket Rooms: Update and THANK YOU

Over five years ago, our communities resolved to reclaim the Plunket rooms and associated land which had been moved out of local ownership, and into the ownership of Plunket NZ.

This was done to uphold the intentions of locals who had donated land and volunteered many hours in order to provide a local asset and to ensure that young mothers and babies remained healthy.

The Culverden and Waiau assets have now been returned to the community, the Waikari-Hawarden rooms sold and a portion of the sale proceeds given back to the Waikari-Hawarden community.

We would like to thank those who have made this happen.

- The families who donated land; the Davies family donated land in Waiau.
- Members of all those Plunket committees over the years who have given up valuable time to ensure the services kept coming and the rooms were clean, inviting places to visit; Waiau, Culverden and Hawarden-Waikari, Hurunui Sub Branch and Canterbury Branch.
- Brona Youngman, Jess Davison and Renee Dampier-Crossley for doing the homework, asking the questions, attending all those meetings and being the squeaky wheel.
- Dick Davison for mobilising our communities to care, and to donate to our 'fighting fund'.
- Those of you who donated to our 'fighting fund'.
- Grant Edmundson of Helmore Stewart Lawyers, Rangiora. Grant made many visits to our area and his tenacity and many hours of work, pro bono (for free!) got us the outcome we had hoped for.
- Amuri Community Trust trustees; Don McLean, Jane Northcote, Tom McIntosh, Judy Meikle, Grant Hay and Anne Gardiner. The Waiau and Culverden Plunket rooms and associated land has been transferred into the Trust's ownership. It is the Trust's ultimate responsibility to ensure these community assets can pay for themselves, and can be used for the benefit of the relevant community as intended.
- Hawarden-Waikari Community Trust, who hold the portion of funds returned from the sale of the Waikari rooms, which are tagged to be used for a future facility to be decided by the Waikari-Hawarden community.

It is up to all of us to be involved and to keep our communities as vibrant as they are now. If you have any ideas, please contact:
