Bible in Schools – Consent Update

Dear Parents and Caregivers,

The Ministry of Education now requires signed consent for students to participate in Bible in Schools. To ensure our records are accurate and up to date, we kindly ask all families to let us know their preference regarding their child's participation.

Please complete the attached form to indicate your preference, whether you **do** or **do not** give consent for your child to attend Bible in Schools. Alternatively, you are welcome to email us your response if that's easier.

Please note that students without signed or emailed consent will not be able to attend. If at any stage you wish to change your decision—either to give or withdraw consent—please contact the school office.

If you have any questions, please contact me directly.

Kind regards

Matt Barlow
Principal
