

Bikes & Birds in the Town Belt

Join Wild Dunedin and Dunedin City Council for a fun, family-friendly day celebrating bikes, birds, and the beautiful Town Belt.

Kids can get hands-on with the ABCs of bike care through guided sessions with bike instructors, then show off their creativity in a dress-up bike 'fun ride'.

Between rides, step into our nature classroom, where expert speakers will share stories about predator-free work and the incredible biodiversity that makes the Town Belt so special.

Finish the day exploring the Braid Road Bird Walk, where you'll discover some of our local feathered friends and learn how to spot them in the wild.

Spot prizes for best dressed and safest riders will be awarded throughout the day!

Cup and Cone will also be in attendance, making sure all caffeine and ice cream needs are met!

A perfect day for curious kids, whānau, and anyone who loves nature, movement, and the Town Belt.

10.30am – 1pm, Friday 10 April | Free event
