Excellence Respect Manaakitanga

Ko koe ki tēnā, ko au ki tēnei pito o te kete
 You at that end, I at this end of the basket (and it can be carried)

Year 7-13 1-5 Scale:	1 Emerging	2 Developing	3 Consolidating	4 Proficient	5 Exceeding
Excellence Knowledge and Understanding	This student requires support to meet curriculum expectations for their year level and/or goals as described in their personalised learning plan.	This student is making progress towards curriculum expectations for their year level.	This student is meeting curriculum expectations for their year level	This student is meeting curriculum expectations for their year level and is steadily strengthening their understanding across the learning area.	This student is exceeding curriculum expectations for their year level.
Respect Effort and Attitude	This student requires support to meet the behaviour expectations of a College student. They are developing an understanding of what needs to be worked on.	This student does not always meet the behaviour expectations of a College student but knows what needs to be worked on and has immediate strategies in place to improve.	This student mostly behaves as is expected of a John McGlashan College student. They are aware of what they need to do to improve.	This student behaves as is expected of a John McGlashan College student. They respect and value the class environment and take every opportunity to make the most of their learning.	This student goes above and beyond with their effort in class and their willingness to respect and make the most of the College environment.
Manaakitanga Self-Mngt. and Collaboration	This student requires support to have their things ready for class and to be ready to learn. They are developing an understanding of what needs to be worked on.	This student is not always prepared for class nor ready to learn or has not submitted learning tasks; but knows what needs to be worked on. Immediate strategies are in place to improve.	This student is mostly prepared for each lesson. They are developing their learner agency and are learning to work well with other students. They are aware of what they need to do to improve.	This student is prepared for each lesson and shows readiness to learn. Work has been submitted in a timely manner. They are agentic learners; they contribute in groups and classroom activities with mana.	This student is well prepared for each lesson, is ready to learn and completes tasks on time. They are self-directed, agentic learners; they add value and mana to other students who they work with.

Note: 1. The new default score will be [3] Consolidating | 2. Students should progress to getting [4] Proficient before the end of Semester 2
