

Fortunately unfortunately

My alarm rings so I wake up and packed my togs to go on the bus to the pool

Unfortunately the bus driver took a wrong turn

Fortunately it was just a short cut to the pool

Unfortunately in front of us there was a crash

Fortunately we were allowed to go around the crash

Unfortunately the road was closed

Fortunately I drove on the foot path

Unfortunately there was hole in the foot path

Fortunately the bus was four wheel drive and we got over and we are on are way to the pool

Unfortunately the tire is popped so I say, "Now how are we going to get to the pool?" and the driver said, "We will have an extra tire in the back of the bus." So the bus driver looked in the back of the bus and said, "Yep we do." I get out and help put it on and we're ready to go to the pool.

One second later we were at the pool and I said to the bus driver thank you and he said no worries so I got off the bus. The end by Jack
