Actions <i>List all the actions from your Annual Implementation Plan for this Annual Target/Goal.</i>	What did we achieve? <i>What were the outcomes of our actions? What impact did our actions have?</i>	Evidence <i>This is the sources of information the board used to determine those outcomes.</i>	Reasons for any differences (variances) between the target and the outcomes <i>Think about both where you have exceeded your targets or not yet met them.</i>	Planning for next year – where to next? <i>What do you need to do to address targets that were not achieved. Consider if these need to be included in your next annual implementation plan.</i>
