### [Community Law Canterbury \(CLC\)](#) (new)

CLC is running three different workshops about the new incorporated societies laws. These workshops will be relevant to any groups whose name appears on [Company office register](#).

How to book:

Email [communityeducation@canlaw.org.nz](mailto:communityeducation@canlaw.org.nz) and tell them

- the name of the Society,
- the name (or names) of the people who will attend, and
- the date/time of the workshop (or workshops) chosen.

**Introductory workshop:** The workshop explains the new law and the four things all incorporated societies will have to do. These workshops are useful for people who are on the Board/Committee of a local incorporated society and who want to learn more about the new law and what their group will have to do.

- *Sat 03 May, 10.30 – 12 noon*
- *Mon 09 June, 6.30 – 8.00 pm*

- *Weds 16 July, 12.15 – 1.45 pm*
- *Sat 09 Aug, 10.30 – 12.00 noon*

Write a new constitution: All incorporated societies will have to have a constitution that matches the new law and, at this workshop, CLC will explain the wording of a free online constitution builder tool that groups can use.

- *Sat 24 May, 10.00 – 11.30 am*
- *Mon 16 June, 6.30 – 8.00 pm*
- *Mon 18 Aug, 6.30 – 8.00 pm*
- *Sat 23 Aug, 10.00 – 11.30 am*
- *Mon 15 Sept, 6.30 – 8.00 pm*
- *Sat 18 Oct, 10.00 – 11.30 am*

Anyone wanting to come to this workshop must first have attended one of our introductory workshops. This is because the constitution workshop will be difficult to understand if the person attending does not already know about the new law.

Re-registering your incorporated society: For those societies who want to know what new things they will need to do.

- *Mon 08 Sept 12.15 – 1.30 pm*

Who can attend: Anyone who is on the Committee/Board of a Christchurch incorporated society, as long as they are not a lawyer, accountant or paid advisor to the group.

If English is a challenge for everyone on the Committee/Board, the group are welcome to nominate someone to represent them at the session who can then relay the information to them after the workshop.

Services provided by Community Law Canterbury

Unfortunately, due to the over 3,500 incorporated societies in Canterbury, CLC is not able to offer to provide one-on-one assistance to every incorporated society. This is why CLC is providing the workshops – it's their way of trying to assist as many groups as possible, given our limited resources. Most groups are finding that these workshops provide them with all the information they need but, if there are groups who want/need one-on-one help with their constitution, they could try contacting Te Ara Ture. This is a service that helps to match community groups with lawyers who may be able to help. Those lawyers are either free or working at a much-reduced cost. Their priority groups include recent arrivals to NZ as well as Māori and Pasifika organisations, so they may be able to help find a lawyer for group who fits that description and who needs extra support. More information about them is available here: <https://tearature.co.nz/for-organisations/>

[Community Networks Aotearoa \(CNA\)](#) - Tick for Governance online course, designed to enhance governance skills for community organisations. Explore the engaging modules and improve your governance skills - learn more here. Learn more [here](#).

[Creators Aotearoa](#) - Jane King has set up the collaboration platform [Creators Aotearoa](#), a way to connect marketers who want to give back to charities who in turn are looking for marketing solutions. Charities can list their "Needs" on the platform's website and creative marketers, including PR, marketing, strategy, art direction, copywriting, design, and social practitioners, are invited to respond. Find out more [here](#).

[Equipment Resource Directory](#) - Check out this [online directory](#). It lists recreation and event equipment available to community organisations at an affordable hire rate. Some equipment is free to hire.

[Free Crowdfunding Course for Kiwi Charities](#)

Givealittle has launched the Generosity Generator Masterclass, a free, self-paced online course designed to teach the fundamentals of crowdfunding. While created for charities, schools, and community groups can benefit too.

This professional course offers video tutorials, downloadable resources, and templates to help organisations fundraise effectively and develop sustainable income streams. It's based on the award-winning Generosity Generator programme that previously helped 123 charities raise \$895,164.

The course is free to use indefinitely, takes approximately 2.5 hours to complete, and requires only a reliable internet connection. Start learning today at [ggm.givealittle.co.nz](http://ggm.givealittle.co.nz)

- Governance Bites: Keeping it Legal: 5:30 pm to 7:00 pm, 21 May (new)

In this session we will briefly look at how laws (written and unwritten) impact on your organisation. We will also remind ourselves what being incorporated means, why it is important, and how to avoid losing its crucial protections. Finally, we will uncover why Conflicts of Interest are not a problem, but how we deal with them can be if we don't follow three simple rules. Sessions will run from 5.30 pm to 7.00 pm. However, doors open and pizza bites are available from 5.00 pm!* RSVP: Registrations essential, via [email](#)

- Tautoko Workshop: Engaging Youth on our Volunteer Teams: 1 pm - 2 pm, 22 May 2025 - 1 pm to 2 pm (new)

## Alcohol Licences

### Information about Applications for Alcohol Licenses

The Alcohol and Licensing Team is keen to ensure people are aware of applications in their areas. We have highlighted Fendalton-Waimairi-Harewood applications so you can keep an eye on ones that come up for your area. For information about how to make an objection, click [here](#).

Separate from objecting to a licence application there are other ways in which members of the community can contact the Council at any time to raise any concerns or problems you may have with existing licenced premises, such as noise, nuisance, vandalism or specific promotions. For further information read the brochure: [Alcohol Licensing in the Community](#).
