

# Fortunately / Unfortunately

I woke up, then I packed my bags with Ever and then the bus arrived so we got on.

Unfortunately the bus driver took a wrong turn.  
Fortunately he just took a shortcut 😊.

Unfortunately the shortcut was very bumpy and the bus crashed.

Fortunately, me & Ever got out safely. Unfortunately the bus driver was dead and we had no way to Disneyland.

Fortunately another bus arrived.

Unfortunately it was a VIP bus and the bus driver said we couldn't get on.

Fortunately I packed two VIP tickets and we could get on.

Unfortunately me & Ever's tickets were fake 😱
