Discover what it's like to live and learn at Telford

Our taster camps will allow you to explore the primary sector to see if it is for you. This all inclusive experience will expose you to a range of agricultural skills that are needed to work in the industry.

About Telford

SIT's Telford Campus is located 6 kilometres from Balclutha, South Otago on a 921 hectare commercial farm. We offer a range of qualifications in agriculture, apiculture, equine, rural animal technician, wool technology/grading and farming. We have a range of full-time programmes on campus and part-time programmes through Telford Distance Learning and SIT Online.

Our affordable full-time programmes will teach you relevant theory and practical work to develop the skills you need.
