***! Unfortunately fortunately!***

***My blue alarm clock rings at about 7:30. I get up from my bed and get ready, then I go to a bus with my besties Elma, Ever, and Annabelle.***

***We get inside the bus.***

***Unfortunately the bus driver took a wrong turn.***

***Fortunately, in the wrong turn, the driver saw a shortcut to the train station.***

***Unfortunately the bus driver's seat broke and there were no more seats.***

***Fortunately there was a stool that the bus driver could sit on.***

***Unfortunately the bus driver was not looking where he was going and almost crashed into the train.***

***Fortunately, someone threw a stone onto the brake.***

***Unfortunately the bus gave the train a dent.***

***Fortunately the people that were there made sure all of us in the bus were ok.***

***Unfortunately the train's owner sued the bus driver***

***Fortunately we did not get fined.***

***Unfortunately we forgot our cat.***

***Fortunately we got on to the train***

***Unfortunately the conductor took the train to Korea.***

***Fortunately there was much to do there.***

***Unfortunately the kpop shows were all canceled.***

***Fortunately we had fun.***
