There will be occasions during the year when your child will need to leave the school grounds for supervised low-risk activities e.g.

- Field trips to Museum, Art Galleries
- Sports tournaments & trips, bus trips,
- Learning team extra curricula days
- Cultural trips, e.g. Town Hall show, choir, music festival
- Swimming Sports

We seek your permission to take your child out of the school grounds as/when needed during 2026

Our students participate in a wide range of learning opportunities within and outside the school grounds. Students, especially at mid to senior level, may participate in a wide range of sporting /cultural events outside the school throughout the school year.

Completing the 'whole year' permission slip eliminates the need to have separate permission notices each time the class or school leaves the school grounds.

Notification of class trips will be made in advance of the trip via Hero, class notices or school newsletter.

Please make your child's classroom teacher aware of any new or changed medical conditions as they occur so we can update medical records.

Please complete this form and send it back to your child's teacher within **the first week your child starts.**

Please contact the Principal if you have any queries regarding this permission notice.

Thank you

Ross Willocks
Principal
