How to use a Fire Extinguisher: The **PASS**-word

PULL THE PIN | AIM AT THE BASE OF FIRE | SQUEEZE THE LEVER | SWEEP SIDE TO SIDE

1. **Pull** the pin at the top of the extinguisher.

2. **Aim** the nozzle towards the base of the fire.

3. **Squeeze** the handle to discharge the extinguisher.

4. **Sweep** the nozzle from side to side aiming at the base of the fire.

Remember the PASS-word
