Booking Appointments

While we try to ensure that we run to time, the doctors and nurses sometimes deal with emergencies or urgent situations leading to unforeseen delays. We appreciate your patience and understanding when this happens.

However, often the delays are due to patients only booking **15-minute** appointments when more time is needed to address **multiple issues**, or 'piggyback' consultations for **family members**, maybe children. These appointments should be at least 30 minutes.

If you require additional time for a family member or to discuss multiple issues, make sure you book appropriately, and **consider the impact on another patients' appointment time**, which can result in the GP running late.

If your appointment time extends for any of these reasons you will be charged for the extra time.

Thank you, Amuri health,

Blue September is Prostate Cancer Awareness Month

This month is all about raising awareness about **prostate cancer** and encouraging men, especially those over 50 (or 40 with a family history), to get regular prostate health check-ups and screenings. Remember, early detection dramatically improves treatment outcomes and survival rates.

Prostate cancer is one of the most common cancers diagnosed in men and a leading cause of cancer death for men in New Zealand.

AFTER HOURS: Phone the Practice on 03 315 6328

Your call will be transferred to the AFTER-HOURS SERVICE where you will be able to talk to a Registered Nurse who will assess your needs, offer advice, or arrange immediate assistance from the on-call doctor or rural nurse
