

Hero is an online sharing platform with a free parent app. Hero allows schools to customise an online environment that enables teachers, students, and parents to view and share content anytime, anywhere on any device. The software is secure, easy to use and brings together a lot of school-related information in one place. Over the coming year, staff and students will be posting rich content to our Hero software. We are looking forward to sharing this with you and including you in your child's learning journey. Learning posts combined with curriculum information and goal-setting will form an online report designed to build year-on-year, so that over time, you will have access to written posts, images, videos, work samples, and helpful resources, all in one place.

For information about Hero including how to log in, go to the [Hero website](#) which will guide you through downloading the app and accessing content.

With Hero, you can:

- Notify the school if your child is absent or late
- Read and comment on posts relating to your child's learning
- View information on your child's progress and goals,
- Read and comment on school notices sent to the class or groups your child is part of
- Respond to school notices such as surveys and trip permission requests
- View school term dates
- View a school calendar of events
- Book your school interviews
- Navigate to other school-related web pages
- Customise your account by adding a profile image
- Select how you wish to receive notifications

*Note: not all options may be available to begin with*
