REGISTRATIONS

Otago Softball moved online for registrations. This is being facilitated through [Sporty.co.nz](https://sporty.co.nz).

The Otago Softball official registration form is now available to you for the upcoming 2025/26 season, & each club/school will have its own secure place on the Sporty platform to manage your player database.

You can add your own fields to the official form, and any data entered in your custom fields isn't passed onto Otago Softball.

As your players register you will then enter your teams into 'team builder' and assign your players to each of your registered teams.

These details are then automatically made available to Otago Softball.

If you are unsure of or haven't received your login details for access to your club/school Otago Softball registration form, please get in touch with Otago softball at otagosoftball@gmail.com so we can organise this for you.
