# 3-6 JULY 2025

QUEENSTOWN | CARDRONA

# 4 EPIC DAYS

WINTERFEST 2025 is HERE!

We have some cool stuff planned!

Not only are we going to Cardrona, which is an internationally renowned ski field with various jumps, but we have options for activities in Queenstown (gondola, luge & aquatic centre).

Plus we have a live band and guest speakers all the way from USA to be with us for the four days.

Bring the gear listed below, some good mood and let's have some fun! To top it up, games, laughter, dance, music, movie night, fun speakers & stay up late (don't show parents this bit) are a few of last year's highlights that will carry on.

You might have heard a rumour about a tradition of jumping into the freezing lake on the last day morning—not wrong ;-)

LET'S DO IT!

# COST

This year we have more options than ever before!

Camp, which includes three nights in Queenstown, return travel fare, three breakfasts, three lunches, three dinners, loads of snacks, all activities at camp (games, music, speakers, movie, etc) plus 2 days ski/snowboard OR day 1 ski/snowboard and day 2 activities (gondola, 5 luge rides & aquatic centre) costs \$399 (or 385 for the early bird before 31.05.2025).

You can also just do camp and day 2 activities (gondola, 5 luge rides & aquatic centre) for \$309 (or \$295 for the early bird before 31.05.2025). OR Just come along for the camp and don't ski/snowboard or do the activities (you still have to come on the mountain and stay with the group under supervision). Be in quick!

# FOOD & ACCOMMODATION

We will be staying three nights at Lakeland Park on Kelvin Heights Peninsula.

Our adult leaders will cook and we will provide all meals, snacks & drinks.

However, Thursday lunch is NOT included in the cost and we advise that they bring own lunch to eat on the bus.

# GEAR

Snow is bright, cold and wet - duhhh! Come prepared with water proof pants and jacket, thermal underwear, beanie & scarf, sunscreen & lip balm, sun glasses or goggles and water proof gloves.

You will also need a day pack & drink bottle.

If you do not have own snow clothing you can hire it from Cardrona for these prices per day \$60 - jacket & pants, \$25 - helmet, \$30 - goggles. Warehouse has often winter gear - might be cheaper.

You will also need two towels, sleeping bag and pillow, clothes for evening at camp (comfy, casual & warm!).
