

ST JOSEPH'S Safety Action Plan

(Transportation Plan)

LOCATION OF EVENT: Year 0-3 St Patrick's School, Year 4-6 Christ the King School.

LEAD TEACHER: Caitlin O'Sullivan and Aaron Richards (Year 4-6 students Christ the King), Liz

Beattie (Y0-3 students - St Patrick's)

OTHER STAFF MEMBERS ATTENDING: All teaching staff

NUMBER OF STUDENTS: Travelling to St Patrick's School - 150 students	RATIO: 1:25
Christ the King - 165 students	
OVERALL RISK RATING: LOW	
NZ STANDARDS: EOTC Guidelines	DEPARTURE TIME: 11.30am
CONTRACTORS: Christ the King, St Patrick;s	RETURN TIME: 3pm
TBC	TRANSPORT: BUSES

Risks/Hazards	Risk Rate	Preparation/Response	Equipment
Transport Unsafe bus	LOW	 A reputable bus company is used to provide qualified drivers. Buses are warranted and registered. All teachers carry cell phones at all times. Cell phones have the phone numbers of the school, principal and team leaders. DPs and principal have the number of the coach 	Cell Phone
Vehicle collision	LOW	 company on his phone. If passengers are hurt in a motor vehicle accident, teachers call the emergency services. Teachers apply first aid until the emergency services arrive. Children remain on the bus unless the bus driver deems it unsafe. If requested, students and teachers disembark from the bus and wait on the curb as far from the road edge as possible. Teachers contact the school to advise of the incident. 	First Aid Kit
Vehicle breakdown	LOW	The school is responsible for contacting the bus company to arrange alternative transport if required. • The school office will inform parents of the incident.	Contact list
Child going missing A child being approached by strangers.	LOW	 Children stay together as a team with their teachers. Teachers follow the Travel Plan and stay together in their groups. Before leaving school, children are advised to stay with their teacher and team or group. Teachers buddy children up and explain that they must tell them immediately if their buddy is not with them. The group teacher check each child's attendance. Before leaving the school, arriving at the location—classes that have children travelling in different buses—buddy checks, arriving back at school and returning to school. Before leaving the school, the children are advised that they are allowed to go to the toilet if their teacher has given them permission. Children going to the toilet must report to their teacher on their return. 	Class lists Buddies Travelling plan

		All children travel to and from school on the bus.	
Weather	LOW	If it rains, the event will be cancelled.	
		Children must wear a school jacket or jersey.	
Trip on sidewalk,	LOW	Teachers and children should be alert and oversee	
paths		sidewalks or paths when walking to and from the bus.	
		The bus driver will always drop us off on the side where The bus driver will always drop us off on the side where The bus driver will always drop us off on the side where The bus driver will always drop us off on the side where	
		 we should be to avoid crossing the road. If an evacuation occurs, the classes will gather on the 	
		school fields.	
Hit by a	Mode	Teachers walk at the front and end of the group and	
car/bus.	rate	check appropriately when getting off and on the bus.	
,		Teachers will ensure that children stay away from the	
		road.	
		Teachers will ensure that children wait on the curb 2m	
		away from an approaching bus.	
		Teachers will ensure that the children wait until the bus is	
		completely stationary before approaching the bus.	
Environment		Each school will develop a Safety Plan for the event	
		they are running. The safety plan is shared with the other	
		schools taking part in the event.	
		Roads—Stay on the footpath and line up with the	
		teacher when getting on and off the bus. Students will	
		walk directly into the school. Cones will be placed outside the school entrance to ensure cars do not enter	
		and exit from the main entrance.	
		Students buddy up when on the bus and walking into	
		the school.	
Vulnerable	LOW	Children will stay with their group at all times. Teachers	Travelling plan
Children Act		will supervise the group they are travelling with.	
Minor Injuries	LOW	One first aid kit for each team.	First Aid Kits
		In the event of a minor injury, Teachers apply first aid.	
Minor Injuries Medical	LOW	 In the event of a minor injury, Teachers apply first aid. All asthmatics take their inhaler. The inhaler is carried by 	First Aid Kits Asthma Inhalers

If a civil emergency strikes while inside the school, everybody will 'drop, cover, hold'. Then the principal/DP will direct everybody to vacate the school and assemble in the carpark. Teachers will check that everybody is accounted for and will administer first aid if needed. We will return to the school building if it is safe. If it is not safe to return, the school will organise transport for the children. If it is not safe to return to school, safe accommodation will be found.
