

Waka Kōpapa- 2025 Stationery List

Spaces 13, 14, 15, 16, 17 &18

Kia ora e te whānau. Below are the items your child will need for the **first day of school**, 2025.

We have tried to predict which books will be needed for the whole year, but in some cases, an additional book may need to be purchased as the year goes on. We would appreciate it if you could **name books** before bringing them to school. As we are a sustainable school, books do not need to be covered. **Children are encouraged to continue to use any books with space left from 2024.** The below images show the items if you choose to purchase from Warehouse Stationery.
