If you require a new medical certificate or an extension to your existing medical certificate following an injury, be aware that you will need to attend an appointment to see the GP for further assessment.

It is important that you plan and organise the appointment prior to the certificate running out as a last-minute appointment may not be available if the clinic is busy.

Ice Hazard

Winter is here and we ask you to please take care on icy mornings.

The car park can get very slippery and utilising the sunnier car parks further away from the building and walking up the concrete path is often the best option.

If you should need assistance please phone through to reception and one of the team will come out to help.

AFTER HOURS: Phone the Practice on 03 315 6328

Your call will be transferred to the AFTER-HOURS SERVICE where you will be able to talk to a Registered Nurse who will assess your needs, offer advice, or arrange immediate assistance from the on-call doctor or rural nurse.
