

Bishop's Companions Programme

Companionship, pilgrimage, fellowship...

Three words with the potential to spring into life in our church, and to bring us a new experience of discipleship as we seek to grow in our faith.

Learning and growing and discipleship is never a one-way process: all parties benefit from the encounter. I am excited about the opportunities the BCP is bringing to this diocese and want to encourage as many of us as possible to "taste and see that the Lord is good".
