

Fortunately / Unfortunately

I ring Theresa and tell her to go on the bus to the pet shop so we can buy a guinea pig or anything else. She asks if Laura can come, I say of course.

Unfortunately the bus driver took a wrong turn.

Fortunately he had a map!

Unfortunately he had a knife

Fortunately I know boxing

Unfortunately he's a serial killer

Fortunately I had a mini knife in my pocket.

Unfortunately I dropped it

Fortunately we managed to kill him

Unfortunately we had no ride

Fortunately we found an uber driver

Unfortunately there was a granny in it

Fortunately the driver was not a serial killer

Unfortunately the granny was

Fortunately we stole a knife from her hand

Unfortunately the granny knew karate (krama)

Fortunately she was too old to use it

Unfortunately she pokes a knife in my hand

Fortunately Theresa cuts open her body

Unfortunately my hand starts bleeding more

Fortunately we had a bandaid

Unfortunately the uber was covered in blood

Fortunately there was a car wash near by

Unfortunately the blood was inside

Fortunately the pet shop was near

Unfortunately the driver got angry

Fortunately he let us out

Unfortunately the pet shop is closed

Fortunately there are some pets outside for free. (so we bought one)

Unfortunately the cops pulled us over

Fortunately we were allowed our guinea pigs.

Unfortunately we are in jail now

by Luma.
