

MARLBOROUGH
BOYS' COLLEGE
BLENHEIM | NEW ZEALAND

Careers Department

Message of Thanks

Marlborough Boys' College wishes to convey our sincere thanks for your company's support of the Gateway Programme in 2024.

Without the support of the businesses below, this initiative would not exist. The opportunity to provide young rangatahi with quality work experience is something special. Once again, a big THANK YOU and we at MBC look forward to a continued association going forward.

Darlene Purdie, Gateway Liaison, Marlborough Boys' College
