

# Fortunately/Unfortunately

Eli and I are looking forward to swimming in the lake in Wanaka.

My alarm clock rings and I get ready to go on the bus to Wanaka.

Unfortunately the bus driver took a wrong turn.

Fortunately he noticed it and reversed the bus.

Unfortunately there was a car behind us.

Fortunately the car went the other way.

Unfortunately the bus driver slept for 2 hours.

Fortunately the bus driver woke up.

Unfortunately one tire was on fire.

Fortunately there was a fire extinguisher.

Unfortunately there was another tyre on fire.

Fortunately we extinguished the fire.

Unfortunately the bus driver passed out from the smoke.

Fortunately there was a hospital nearby.

Unfortunately it was 1km away.

Fortunately someone can run faster than all of the students combined.

Unfortunately it took 2 hours to get there.

Fortunately there was a taxi.

Unfortunately it ignored us.

Fortunately it noticed us and picked us and our suitcases up,

The taxi driver asked, "Why are you guys here?"

"The bus driver has passed out," we said

Unfortunately the taxi driver is sad about that.

Fortunately we came to the hospital.

Unfortunately the doctors confirmed the bus driver had D###.

Fortunately the taxi driver took us to the Lake in Wanaka.
