We came to New Zealand from Cambodia for 6 months but God has different plans...

Graeme and Eunice Serving in New Zealand

Greetings!

We are entering a new chapter in missions and I (Graeme) and Eunice would love to invite you to partner with us as I step into a self-funded role with **Missions Interlink** in New Zealand.

Why Missions Interlink? Missions Interlink brings mission organisations together, helping them collaborate to fulfil the Great Commission more effectively. This aligns closely with my heart to see missions done well, with lasting fruit.

At Missions Interlink, I will be supporting our members — mission agencies, churches, and Christian organizations — by:

Connecting - Fostering communications amongst missions organisations in the

Auckland region through events and forums

Collaborating - Identifying Common Areas of Interest and enhancing skills and effectiveness by sharing resources and working together

Catalysing - Raising mission awareness in New Zealand and facilitating training for missions organisations

John 15:16a "You did not choose me, but I chose you and appointed you so that you might go and bear fruit—fruit that will last"

About Us I (Graeme) have served in missions across four Asian countries for more than 20 years, focusing on church work, counselling, and Business as Mission (BAM). Eunice (Sophannit) was born in a refugee camp and came to Christ through missionaries who had established a church in her village. She's passionate about teaching and sharing Jesus with children and has been involved in ministry to children and families in Cambodia since she was 15. Eunice is currently focused on caring for our twin daughters, while also starting to reach out to our local community.

Why are we based in New Zealand? After serving in Cambodia since 2015, where I (Graeme) was a pastor and led a Christian counselling centre, we travelled to New Zealand in 2022 for the birth of our twin girls. Born prematurely at 25 weeks, our daughters have had 12 surgeries due to life-threatening conditions, and there are various health issues that require follow up. After prayerful consideration, we felt led to remain here for this next season to focus on their health and care. We are enjoying life in New Zealand together as our girls grow stronger, and God is opening up opportunities for us to serve in our respective spheres.

Our Need Eunice and I can't do this by ourselves. As we take this step forward we will need a team of partners who will support us in prayer, encourage us, and help with our ongoing financial needs. We currently receive support from the church, and our existing partners, but we hope to find 30-40 more people who will join our team of partners. To meet our budget, we will need an additional \$1000 per week. We

believe God has prepared people's hearts, and will provide all our needs, as well as the needs of those who give.

Your Partnership We would love to invite you to join our team of partners, pray for us and/or help with financial support. You can do so by clicking on the button below. As you partner with us, we look forward to sharing with you our prayer needs as well as the many answers to prayer and moves of God that we fully expect to see.

Yes! Sign me up as a partner

Much love from us both
Graeme and Eunice
