

## Examples of non-regulation haircuts

**Mild ear shear** - hair too short above ear and not tapered gradually.

**Skin fade** - hair too short, not tapered gradually which creates a mop on top.

**Ridge and product** - too short on one side, may have an actual line cut where short meets long hair. Product visible.

**Overhang on sides** - not a gradual taper over ears and back of head. Long hair hangs over the short hair.

**Fringe hanging over eyebrows** - hair too long and hangs over eyebrows.

**Undercut or bowl cut** - hair very short and has long hair hanging over.
