**SlumbrSpray Fundraiser**  
**\$20 each 200ml bottle**

Otago Boys'  
High School

The Parents Association are pleased to bring you our new **SlumbrSpray Fundraiser**

**SlumbrSpray** - is a natural, eco friendly sleep aid made with organic magnesium, organic lavender essential oil and spring water. It relaxes muscles, calms the mind and supports a restful sleep with just a couple of sprays onto your skin. It is being manufactured by a group in the OBHS year 13 business class as part of the young enterprise competition. This is a top quality product which is suitable for everyone to use (except if pregnant or breastfeeding). At \$20 per 200ml bottle it is excellent value and is less than half the price of comparable products on the market such as Koa, Neat or Salt Lab and the ingredients are either exactly the same or better than those brands. Please get behind supporting our boys business endeavour and also raising money towards making exciting improvements to the school:

In celebration of the Shand Building refurbishment, we are raising funds for the OBHS Music Department. One of the key focuses of the redevelopment is to establish a recording suite and control room. A few of the key items needed for this space are a new guitar amp, keyboard, and computer desk for the control room. We are excited about setting up a quality facility for students to compose, perform, and record their music. With a growing number of bands and ensembles, providing great spaces with new gear will allow more of our students to explore, collaborate and create new music.
