Measles Outbreak

You will be aware that there continues to be reported cases of measles in New Zealand.

Please contact the Health Centre if you have any concerns or would like more advice, check out the practice Facebook page and Website for more information. If you would like to speak with one of our practice nurses regarding vaccinations, please call us here at the health centre. If you were born after 1969 it is recommended that you call and check your vaccination status.

Patients who have symptoms like a common cold and may or may not have a rash should NOT enter the clinic but phone to be further triaged by a practice nurse. Anyone who presents at the clinic with these symptoms will be advised to wear a mask and return to their vehicle to be assessed.

AHC wants to minimise the risk of infection for patients and staff.

Enrolling at the Health Centre

If you reside within the Amuri area and would like Amuri Health Centre to be your main point of health care, we encourage you to enrol with us. You will receive subsidised health care, be eligible for funded services and receive seamless care by doing so.

As per Health New Zealand / Te Whatu Ora guidelines, patients may only enrol at one Health Centre/Medical Practice at a time.

We can provide care for patients who are not enrolled with us, but these visits will incur increased fees as Amuri health does not receive additional funding for non-registered patients.

If you are a non-New Zealander on a work visa or have various visas with a combined total two or more years with no gaps, you may still be able to enrol. Please contact reception to check if you are eligible.

AFTER HOURS: Phone the Practice on 03 315 6328

Your call will be transferred to the AFTER-HOURS SERVICE where you will be able to talk to a Registered Nurse who will assess your needs, offer advice, or arrange immediate assistance from the on-call doctor or rural nurse
