Information

The successful students will exhibit an exemplary classroom attitude and demonstrate our four gospel values of Aroha (Respect), Manaaki (Service), Tika (Justice) and Pono (Truth) in the way they conduct themselves at school and when representing our college. They will have contributed positively to our college community by being involved in a number of co-curricular activities, and they strive for excellence in all they do.

Scholarship Value

As well as public recognition of excellence, each scholarship will provide \$500 over a two year period, subject to the student continuing to strive for excellence.

\$200 will be credited towards the student's school account at the beginning of Year 9 and Year 10 to contribute towards school costs. A gift to the value of \$100 will be awarded to the student at a Scholarship Function later in 2025.

All the information provided, and copies of the student's recent academic reports, will be given to the selection committee. If required, the Principal will make the final decision.
