

We are now using Kindo to help make school payments easy for you. Kindo is our preferred method of payment, and we encourage all our families to join.

Although we are the first school in Marlborough to join Kindo, there are over 500 schools throughout New Zealand using Kindo. When other local schools join, you can use the same account for all your children, regardless of the school they are at.

Once you have created your Kindo account, any school credits you may have will be transferred by the school to your Kindo wallet for you to use.

Not with Kindo yet? Simply scan the QR code, search for Kindo in your app store or visit <https://shop.tgcl.co.nz/app/login> and sign in or create an account. Registration is easy!

IMPORTANT: Please ensure you use the same email address registered with the school

Topping up your Kindo account

There are a range of methods you can choose to top up your myKindo account. If you have an account to pay, don't use the Top-Up function, instead click the payable amount and go through to pay.

This can be done at the checkout, or by selecting the 'myKindo wallet' at any time.

Just a reminder if it's for a time critical sports registration you will want to avoid the bank transfer option as it may not go through in time.
