*“Sport has the power to change the world...it has the power to inspire. It has the power to unite people in a way that little else does. It speaks to youth in a language they understand. Sport can create hope where once there was only despair. It is more powerful than governments in breaking down racial barriers.” Nelson Mandela*

# Welcome

Sport is a key part in the lives of our students; the lessons learned in sport are invaluable for personal development.

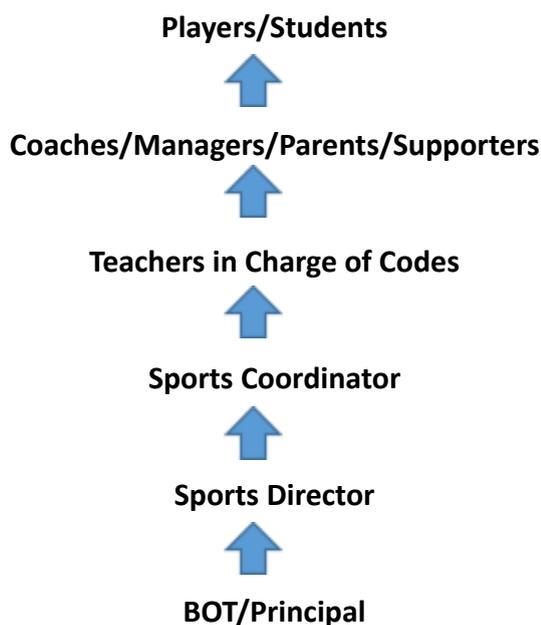

Horomaka Sport programmes are designed to help students 'play and excel' by developing:

- a love of sport and healthy living
- strong and enduring friendships
- specific skills and specialist knowledge
- a commitment to personal sporting excellence

A huge thanks to the many staff who are involved with the various sports teams we have at Hillmorton. Our students are fortunate to benefit from the time and effort each of you put into either coaching and/or managing teams/codes.

The role of the Horomaka Sport Committee is to support the staff and the many participants.

## Structure of Horomaka Sport

The committee is here to develop Programmes, Pathways and Partnerships that empower young people and local communities. Sport contributes to the character development of our students by bringing to life our school values.

We have an emphasis on Whanaungatanga, Turangawaewae, Ako and Mana for opposition, coaches, parents, supporters, grounds staff and cleaners.

The committee meets once a month. (Chair Matt Sharr, Sports Coordinators Dilshan Muthunaidelage and Emilie Mortimer, Matt Parfitt BOT rep, Sam Ainsworth SLT rep, Dave Langrell community rep, staff reps Mel Ruscoe and Sam Janssen - HOD PE/Health, wahine rep Rosie Stewart, reps from the Netball and Rugby committees plus a student representative).
