SELECTION GUIDELINES

ACHIEVEMENT:

- You will be expected to achieve 8-10 credits for each semester course.
- You need to ensure that you have adequate opportunities to gain NCEA Literacy & Numeracy credits.
- All Year 12 students **MUST HAVE** met NCEA Literacy and Numeracy requirements. If not, you **MUST CHOOSE** options that will allow you to gain literacy or numeracy in Semester A.

	ALTERNATIVE	

REMINDERS:

- You **CAN** select a range of different learning areas based on interest and future Pathways.
- You **MUST** select an ENGLISH Course.
- SOME courses will require you to select both the A+B semesters.
- In Year 12, it is highly recommended that you continue to take literacy and numeracy rich subjects (Mathematics, Social Science, Science).
- Discuss and plan for a balance of internal and external assessment.
- UE Entrance Literacy requires you to achieve at least 5 Reading and 5 Writing credits at Level 2 or higher. This requirement is only for University Entrance and can be achieved in L2 & L3.
- Multilevel Study - Students will be able to study subjects across different levels depending on their needs and achievement.
- Note: Subjects will be dependent on suitable student numbers and available staffing

NCEA LEVEL 2

In order to obtain an NCEA Level 2 Certificate a student must obtain **80 credits at Level 2**. This means a student must achieve a minimum of **60 credits at Level 2** or above **AND 20 credits at any level**.

QUALITY OUTCOMES

Students should focus on obtaining a high quality NCEA Certificate outcome. This will include Certificate endorsements of Merit or Excellence. A student requires 50 credits at Merit or Excellence to be endorsed.

UNIVERSITY ENTRANCE LITERACY

5 credits in Reading and **5 credits in Writing** are required to meet the University Entrance literacy requirements. Additional requirements may be imposed by different universities. It is important that students understand these.

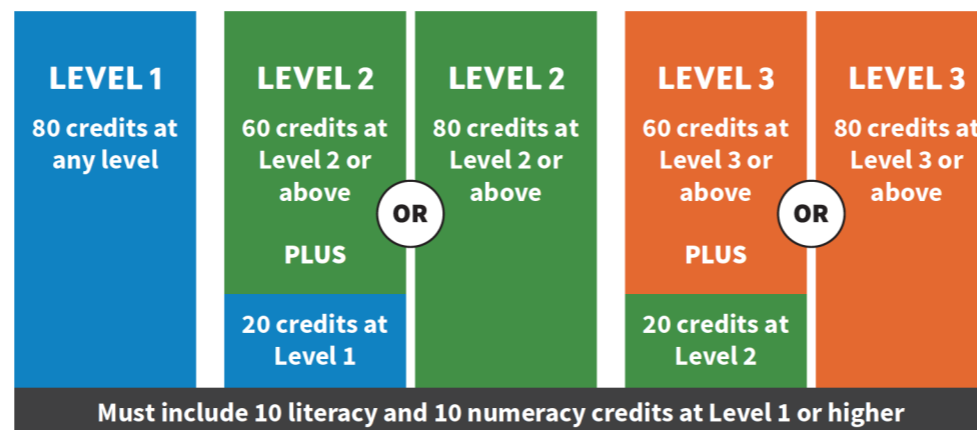

LITERACY / NUMERACY

If a student has not already, they must obtain NCEA Literacy and Numeracy. This equates to **10 credits Literacy** and **10 credits Numeracy** at Level 1 or higher. A wide range of standards have been identified as eligible to meet the requirements.

UNDERSTANDING NCEA CERTIFICATES & CREDITS REQUIRED

- Each year, you will study a number of courses or subjects.
- In each subject, skills and knowledge are assessed against a number of standards. For example, a Mathematics standard could be: **Apply numeric reasoning in solving problems**.
- Schools use a range of internal and external assessments to measure how well students meet these standards.
- When you achieve a standard, you gain a number of credits.
- You must achieve a certain number of credits to gain an NCEA certificate.

ADDITIONALLY

CERTIFICATE ENDORSEMENT

If a student gains 50 credits at Excellence, their NCEA certificate will be endorsed with Excellence. Likewise if a student gains 50 credits at Merit their NCEA certificate will be endorsed with Merit. The Record of Achievement shows the endorsement awards.

SCHOLARSHIP

Scholarship is a monetary award to recognise top students. It does not attract credits or contribute towards a qualification but the fact that a student has gained a Scholarship appears on their Record of Achievement. The Scholarship examinations enable students to be assessed against challenging standards in each subject and are demanding for the most able students.
