

Kia Ora our valued partners,

On behalf of Christchurch Educated and the International Education team at ChristchurchNZ, we are sending you our thoughts and message of solidarity during these testing times.

The impact of Covid-19 will be felt deeply by our industry, student communities and families worldwide

Our strength and resilience will be tested as we tackle this challenge. But tackle it, we will with empathy, grace, aroha, and most importantly, in partnership. Crisis provides us an opportunity to reflect on what we are doing and why we are doing it, to gather information, and to ensure we are prepared for the future.

To help you connect with our city and region better, we would like to introduce you to our new website www.christchurcheducated.co.nz where you will find details on all our Christchurch Educated providers as well as what Christchurch and our beautiful region has to offer.

Keep an eye on our [agent resources](#) section that we are updating regularly. Please do let us know if there are specific resource you are missing and make sure you [check out our new brochure](#) that makes a great starting point to share with your students and parents.

We sincerely hope that the hardships you may be facing at this time will lessen and soon we can refocus on the opportunities that will emerge.

Stay well, stay safe, kia kaha.

Loren Heaphy
