# WHY JOURNEY KIDS?

## WE. JUST. DO. MORE.

### Because we offer more than anyone else

We currently offer more services than any other provider in the country. Before Care, After Care, Holiday programme, After Hours Care, Babysitting, Ebook activities and Support, Behaviour Management Ebooks, Sports Clinics, Camps, PD for parents, PD for staff and teachers, Free Giveaways, Community Events, School labour support, morning teas and so much more.

### Because we know kids

After School Care traditionally is about keeping kids busy. We wanted to set a new standard for this space and believe time is too precious to just keep kids busy. We want to inspire and to create life long memories through our activities. We know kids and we know what they want. We respond to their needs and encourage our students to maximise their time with us!

# WHY JOURNEY KIDS?

## WE. JUST. DO. MORE.

### **We are always trying to innovate**

We don't believe in the age-old saying "if it ain't broke don't fix it". We believe life is about discovering new, exciting and interesting passions, we use our programmes to push the envelope and try to find them!

### **We go above and beyond for our schools and our parents**

We truly value our parents and our relationship with the school and parents. We offer parents FREE DATE NIGHTS, YOGA CLASSES and COOKING CLASSES, all while we look after the kids. We put ourselves in the position of parents and understand what's important to you. We provide morning teas for teachers when big weeks have happened, we do wellness checks, we help on gala days etc. We work with YOU to truly create a community.

# WHAT DO OUR PROGRAMMES LOOK LIKE?

## INNOVATIVE

We spare no expense on our resources, kids at our programmes benefit from our wide range of technology, building and metal work material, sewing, arts, crafts, sports, go karts, roller skates and more. We also love experimenting with things not yet seen at aftercare, like our animal dissection, fire building, drone flying and more (while following strict safety procedures)!

# WHAT DO OUR PROGRAMMES LOOK LIKE?

## ZONED

Our programmes are zoned into 4 parts - an experience zone, an active play zone, a free play/creative zone and a chill out/well being zone. Kids have the choice to choose how they fill their morning/afternoon, dabbling in each or sticking to one zone.
