In order to achieve our goal of \$100,000 Playground Fund **we need your help**. We would like to acknowledge that many of you already help out with class trips, sports teams, assisting in class with reading, maths, PnP and many other activities, however If every parent was able to help with just one of the above fundraisers and **contribute to the school fair** it would be awesome. If you would like to join our volunteers list or are able to assist in any way please contact us or feel free to speak to any of the current committee.
