E ngā mana, e ngā reo, e ngā hau e wha, nau mai, haere mai. Haere mai ki te kura, Te Huruhuru Ao o Horomaka.

Kia ora, Talofa lava, Mālō e lelei, Talofa ni, Fakaalofa lahi atu, Kia orana, Namaste, Ni sa bula vinaka, Halo ola keta. Warm greetings and welcome to the Hornby High School community.

Thank you for your enquiry about the English full time permanent teacher position with start date to be negotiated. Applicants must be able to teach to Level 3 NCEA.

Hornby High School is in a most fortunate position having become a Yr 7-13 school at the start of 2014. This was a decision we welcomed as whanaungatanga and consistency of relationships suit our community. The whole school is to be re-built 2017-19. ERO reviewed us favourably in 2015. Central to this appointment is our continuing commitment to raising achievement for our Māori and Pasifika students. We have been an active participant in the Kia Eke Panuku Māori achievement programme and the Hornby Pasifika cluster.

We are continually exploring modern learning pedagogies, in particular the benefits created through the use of digital devices. The school is a part of the Uru Manuka Cluster's Manaiakalani Outreach programme which uses the underlying pedagogy 'Learn, Create, Share' as the essential driver of learning.

Teaching as Inquiry is key to all that we do.

The application pack has the following documents to show the present and future culture of our school.
