COMMUNITY NOTICES

Council has continued to be busy with meetings and planning sessions. The high rainfall events have delivered challenges to many in the district. On a positive note the old Peaks Water supply has been changed over to the new Waikari Basin supply, formerly the Hawarden Waikari supply.

Roading budget is 91% completed. Roothing officers are looking for ways to fix the network of gravel roads. Drainage on these roads' needs improving before re metalling within existing budgets. As a farmer the amount we spend on rural roads doesn't seem enough. Delivery of the roading contract is always a challenge for all parties. The Claverley Road in the East Ward has had a major washout recently. This is very stressful for the residents and hopefully a good long-term solution for all involved is found.

The Community Service Awards are on Tuesday 2nd August at the Hawarden Memorial Hall. This is a great opportunity to celebrate and recognise people's contribution to the community.

We are approaching a very busy seasonal time for all farmers facing challenges with dropping commodity prices and increasing costs. Keep talking to each other and remember it is not the first rodeo we have been through; farming is vital to the NZ economy and the Hurunui District. All members, residents of the Hurunui District are facing tough economic times and with increased rates of illness over Winter we are all sure to be looking forward to any signs of Spring just around the corner. Keep looking after each other and continue making your community the great place to live that it can be.

Amuri St John would like to thank Leo Dunne Ltd for the generous donation of a water blaster. This is a fantastic tool to help keep the ambulance and equipment clean, especially during the muddy winter months.

The Leo Dunne team are always on hand to help us out with minor repairs and support, to keep us available to respond to those in need.

Please support our local businesses as they continue to support your local St John.
