

*Are you a band, group or solo performer? Are you at High School?
Do you enjoy performing? Want to get better? Meet and learn from music industry professionals?*

Amped Music Project could be for you.

Amped is free music workshops, mentoring and all-ages gigs in Term 3, with tutors and guest artists from Ōtepoti Dunedin's music community.

We meet on weekends in August and early September, to participate in a series of practical workshops, and organise all-ages gigs around Dunedin.

Our programme of guest artists, tutors and speakers includes awesome Ōtepoti bands, award-winning songwriters, and music business experts.

Amped takes place mainly at Te Whare O Rukutia, 20 Princes St, on Saturday and Sunday afternoons.

Applications for **Amped Music Project 2022** are open now until:

Wednesday 3 August
