My responsibilities include:

- I will discuss the Student Digital Citizenship Agreement with my child and explain why it is important, including encouraging my child to adhere to this agreement.
- I will support the school's cyber safety programme by encouraging my child to follow the cyber safety rules, and to always ask the teacher if they are unsure about any use of devices.
- Ensuring that my child does not use their school email address to sign up to mailing lists or websites that are age restricted.
- Regularly checking my child's device or account to ensure it is being used appropriately.
- I will contact the classroom teacher or principal to discuss any questions I might have about cyber safety and/or this use agreement and I am welcome to do this at any time.
